In-service training will be provided to the faculty members from time to time to update their teaching skills with latest techniques.

ADMISSIONS/TUTION FEES : All the students are admitted to school/college without discriminating the cast, religion, economic status and pass marks.

CURRICULAR AND CO-CURRICULAR ACTIVITIES :

a) MORNING ASSEMBLY: The School/College assembly, gathering every day before the classes begin, is a picture of solemnity and discipline. The School/College choir chant saraswathi shloka, following by the common prayer of the School/College daily. In the assembly program after the morning prayer, thought for the day, celebration/observations of various festivals, events, news presentation and singing of National Anthem, Nada Geetha etc form other features every day.

Meditation: The whole School meditates in the Morning Assembly in continuation of the School/College Prayer.

b) HOUSE SYSTEM AND PREFECTORIAL BODY: The House system is a very important aspect of our school. The students of the school/college are divided into 3 groups. Every student is allotted a house and he/she takes part in various activities under a particular house, which fosters and encourages keen and healthy competition in all aspects of their academic and extracurricular activities in the classroom and on the play fields. Since all the competitions are held on house basis, house loyalty is the strongest. A regular record of student's participation and achievements is maintained and points are awarded to each house. The inter-house competitions are being conducted throughout the year and on the Sports Day/Annual Day, the house that scores maximum points is awarded House Championship Rolling Shield for the current academic year. Both House Wardens and Students keenly wait for this event.

c) EXTENSION LECTURES: Eminent faculty of various disciplines is invited to deliver lectures on philosophy, Education and different subjects to inculcate intellectual breadth of view in students and the staff.

d) SPORTS AND GAMES & CO-CURRICULAR ACTIVITIES: Apart from academics, the school/college lays special emphasis on various games and sports and co-curricular activities and students are encouraged to take part in inter-house and inter-school competitions.

e) LIBRARY: The school/college library is enriched with different titles for general reading and reference purpose. The students of Class borrow books once a week during their library period and all students make use of the library for updating their knowledge through subject-based periodicals, magazines, journals and newspapers. The school/college also has got E-library facility.

f) COMPUTER TRAINING : The school/college possesses well-equipped Computer Labs with UPS facility, separately for junior and senior class students. The Computer Education is compulsory from Class 8th onwards. Apart from the theory, the students shall have practical classes in the Lab with one student one computer facility, where they work with educational software, programming skills etc.

h) PARENT - TEACHER'S MEETING : Parent - Teachers' meetings are conducted periodically. These meetings are intended to review the pupil's performance in the presence of parents, students, and subject teachers. The meeting helps to sort out all matters on merit in a spirit of harmony in consonance with the school/colleges philosophy of "Vasudheva Kutumbakam". The cordial and mutual discussions between parents and teachers/Principal should ultimately help the Students to improve their performance with collective effort of the school/college and parents. Suggestions from both ends are welcome to implement new programmes towards improvement in academic standards, cultural and moral values, sports and other activities.

i) MEDICAL FACILITIES : To ensure the well being of the staff members and student teachers, college campus has provisions of first aid room which has all the basic facilities for first aid. The services of consultant doctors are always available in the hours of need.
